

# The Lincoln High School ACP Journey

**Academic and Career Planning (ACP)** is a student-driven, adult-supported process designed to help students create their own unique vision for post-secondary success. As each student navigates through this process they will explore many different academic and career possibilities. **XELLO** is the Career & College Readiness software that students use to complete ACP activities, which are facilitated by homeroom teachers and the Lincoln ACP team. The ACP learning goals for each grade level are outlined below.

**9th**

- Set personal and career goals
- Develop 4-year Course Plan
- Explore career clusters and pathways
- Complete career assessments
- Develop Activity Resume
- Attend Career Expo

**10th**

- Revise personal and career goals
- Revise 4-year Course Plan
- Participate in Mock Interview (10, 11, or 12)
- Explore education and lifestyle costs
- Learn how workplace values affect career choices
- Learn about workplace skills and attitudes
- Participate in Reality Store

**11th**

- Revise personal and career goals
- Revise 4-year Course Plan
- Participate in Mock Interview (10, 11, or 12)
- Explore college admissions requirements
- Explore how job market impacts career choices
- Write a personal statement
- Attend Wisconsin Education Fair

**12th**

- Revise personal and career goals
- Revise 4-year Course Plan
- Participate in Mock Interview (10, 11, or 12)
- Explore the college application process
- Learn about scholarship options
- Develop a career backup plan
- Create a resume and cover letter
- Attend a Job Fair
